3/29/2022**Request of information on substances of very high concern (SVHC) in your articles according to Regulation (EC) No 1907/2006 (REACH)**

Dear Sir or Madam

the REACH Regulation rules the registration, evaluation, approval and restriction of chemical substances within the member states of the European Union and applies to manufacturers and importers of such substances.

Due to this regulation WEWO is obliged to inform its customers, if supplied articles contain substances of very high concern (SVHC) with a percentage by weight of more than 0.1.

All substances identified as SVHC are listed in the Candidate List of the European Chemicals Agency (<http://www.echa.europa.eu/candidate-list-table>).

We kindly ask you to inform us, if your products contain SVHC (please indicate product, SVHC and its percentage by weight) or to confirm the absence of SVHC.

Please send your answer by e-mail to: qm@wewo.de

Thank you for your cooperation.

Yours faithfully

WEWO Schrauben-Befestigungsteile GmbH
